

# HOT DAYS & DOGS

## 7 Things You Need To Know

1

Provide clean, cool water (with extra in case of spillage)

2

Ensure access to shade all day

3

Provide a kiddie pool so your dog can take a dip

4

DO NOT leave your dog in a parked car - EVER

5

Don't make your dog walk on hot concrete or asphalt

6

Go for walks early in the morning or late in the evening

### RECOGNISE SIGNS OF HEAT STRESS & DEHYDRATION

7

Signs include distress, excessive panting, vomiting, diarrhoea, weakness, disorientation, muscle tremors or spasms, collapse and DEATH
